Summary

All members were present at the weekly meeting on Wednesday, February 3rd in 1301 Coover from 6:00-7:30 PM.

This week we discussed all of the different brainstorming that we had all individually looked into. We discussed hardware, software, and extras that would be good aspects for the device.

Accomplishments

- Brainstorming
- Had meeting with client
- Group email is dec1606@iastate.edu

Pending Issues

2/7/2016

We still do not have an advisor, but Cameron has been talking with a couple different professors and will be getting confirmation this week.
